BE A PART OF THE VILLAGE’S FUTURE GROWTH AND DIRECTION.

The Village of Bellevue Community Development Department, in partnership with Brown County Planning Department, will be updating the Pedestrian and Bicycle Plan starting in April/May of this year. We seek individuals interested in sitting on an ad-hoc committee to support and facilitate the plan update.

Committee members will attend four to five meetings, lasting less than two hours each over a few months, to provide valuable feedback and recommendations as we work through the process.
